A hand-drawn sketch of a smartphone with a dark grey frame. The screen is white and displays a login form. At the top left of the screen is a black back arrow. Centered at the top is the title 'Accedi'. Below the title are two input fields. The first field is preceded by the text 'Nome e' on one line and 'Cognome' on the next. The second field is preceded by the text 'E-mail'. Below these fields is a button labeled 'Conferma'. The smartphone has a small circular sensor at the top center and a square home button at the bottom center.

This is the main screen.

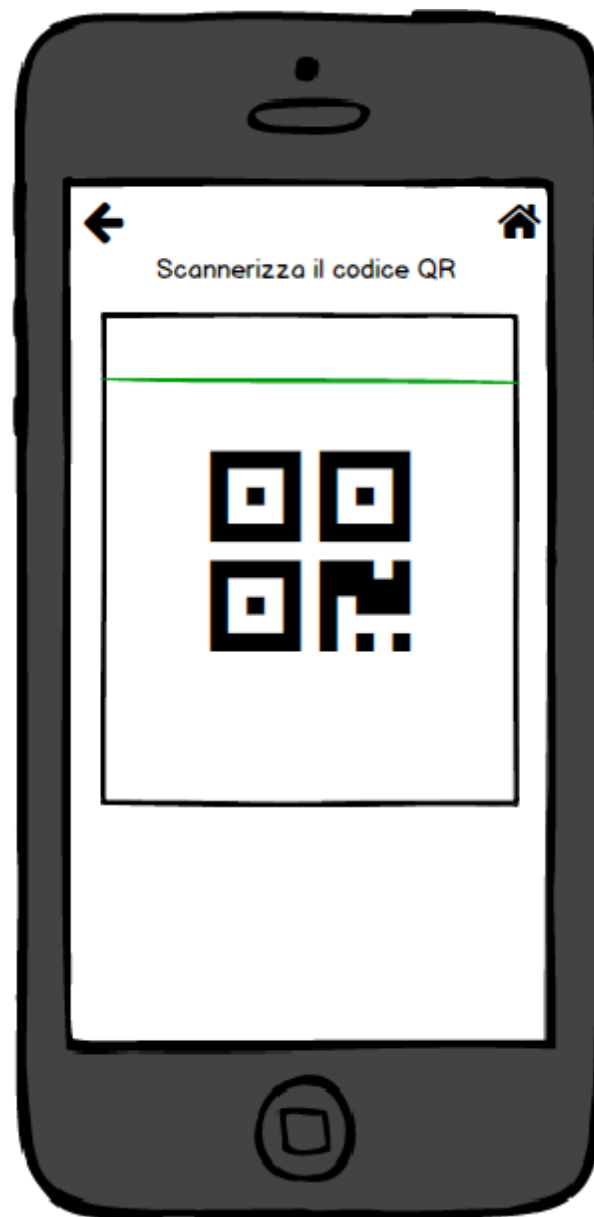

The button "cerca materiale registrato" helps you find materials. But to do that, we have to create the digital archive first!

The button "Scanerizza il codice" allows you to add new materials to the digital archive

Your mobile phone will start the camera and will read the code on the folder.

Click in the center of the mobile screen of the prototype to continue
